

Who Cut Down The Cherry Tree?

February 2008

Background cream or off white 13" x 13" (trim to 12 ½" later)

Applique brown, 3 reds, and 2 greens; matching thread

Other fusible web and stabilizer for machine applique.

- May be hand or machine applique. Directions follow for machine.
- Trace all parts of the applique design separately onto the paper side of the fusible web.
- Rough cut each drawn piece at least ¼" outside tracing line.
- Fuse designs to wrong side of appropriate fabrics. Cut along traced lines.
- Remove paper backing of fusible web. Arrange pieces on the background according to the design, which is centered on the background square. Fuse in place.
- Satin stitch around all fused appliques, using thread to match the fabric color.
- Be sure to use a stabilizer behind your background fabric when you sew the satin stitch around your design. Trim block to 12 ½" square after applique is done.
