June 16, 2016

The Clamshell June meeting included a big thank-you from Safe Futures for the items donated each month by Clamshell members and for the huge number of "Santa Sacks" made for them last Christmas.

The meeting then concentrated on all aspects of the August 6-7 Quilt Show while those attending enjoyed trips to the plentiful snack and dessert tables.

Of course there was Show & Tell...

And More Show & Tell...
