| Color A | Bright yellow print     | (1) 4 1/2" square<br>(2) 4 7/8" squares |
| Color B | Dark forest green print | (2) 4 7/8" squares                      |

Mark a diagonal line on the back of the (4) white 4 7/8" squares. Pair these, right sides together with the (2) 4 7/8" color A and (2) 4 7/8" color B squares. Sew 1/4" on both sides of the marked line and cut apart on the line to make (4) half-square triangle units of colors A and C and (4) of colors B and C.

Lay out the squares as shown. Sew into 3 horizontal row, then join the rows together to make a 12 1/2" block (12" finished).

This quilt was made using 14 blocks. Alternate blocks were rotated to make pattern. The quilt finishes at 59" square, using a 1" inner border and a 4" outer border.
