

2019-2020

30th Anniversary Block of the Month

To celebrate our 30 years as a guild, we will make 30 blocks. There are six 12" finished block patterns (October, February, March, April, May, September) and twenty-four 6" finished block patterns (November, December, January, June, July, August). Our year-long Guild Challenge for all Guild members will be to make a quilt top using all 30 blocks by the September 2020 Guild meeting. The quilt tops will be displayed, not judged, during the Birthday Celebration meeting next September. Everyone who completes a quilt top using all 30 blocks in their choice of colors will be entered in a drawing for prizes. Hopefully, when completed, the quilts will be featured in a "shop" during the 2022 Quilt Show.
