Sixteen 2-1/2" squares

1. Place a Color 4 2-1/2" square atop the left end of a Color 3 rectangle, right sides together. On the back of the square mark the diagonal. Sew on this marked line. Cut off the excess seam allowance; press the remainder towards the outer triangle. Repeat this with another Color 3 square on the opposite end. Make four of these flying geese units.
2. Sew a Color 4 2-1/2" square to the left and right ends of each of the flying geese units just made. Sew one Color 1 square to the left end of two of the previously made geese-plus-squares units; sew one Color 2 2-1/2" square to the right end of these.
3. Now sew the center unit by joining a Color 1 and Color 2 4-1/2" square. Join the other two Color 1 and Color 2 4-1/2" squares. Sew these two units together to make the center four patch.
4. To the left and right sides of the center unit, sew one geese-plus squares unit.
5. Now piece the block by following the picture. Be sure to alternate pressing directions when adding pieces and rows.
