

November 2018

Chrysanthemum

Flower colors - your choice (think Mum colors)

Flower color A (Shown as pink): (4) 3" squares

(16) 2-1/2" squares

Flower color B (Shown as purple): (4) 2-1/2" squares

(4) 2-1/2" x 4-1/2" rectangles

Flower center: 4-1/2" square

Cream background fabric: (4) 2-1/2" squares

(4) 3" squares

(4) 2-1/2" x 4-1/2" rectangles

1- Half-square triangles: Stack the cream 3" square and flower color A 3" square, right sides together. On the back of the top square, mark a diagonal line and stitch a scant 1/4" on both sides of the marked diagonal. Cut apart on the marked line and press seam towards the flower fabric. Trim unit to measure 2-1/2" square. Repeat to make a total of 8 half-square triangle units.

2-Assemble 4-patch corner units: Row 1: Sew cream background 2-1/2" + Half-square triangle (watch orientation!). Row 2: Half-square triangle + Color B 2-1/2" square. Press seams in opposite directions. Sew rows together. Make 4 of these.

Make 4. Should measure 4-1/2" square.

3- Flying geese units: Stack 2-1/2" square color A (pink) on right lower corner of Color B (purple) 2-1/2" x 4-1/2" rectangle, right sides together. Draw diagonal line and stitch on marked line. Trim seam allowance and press. Repeat for lower left corner. Make 4 of these (colorway 1).

Using method above, make 4 flying geese using flower color A (pink) 2-1/2" squares and cream 2-1/2" x 4-1/2" rectangles (colorway 2). See below.

Colorway 1: Make 4

Colorway 2: Make 4

4- Sew 2 flying geese units together for hourglass units (colorway 1 + colorway 2; see below). Make 4 hourglass units.

Make 4. Should measure 4-1/2" square.

5- Sew units into rows: Watch orientation – Lay out units first and use block diagram as a guide.

Rows 1 and 3: four-patch corner unit + hourglass unit + four-patch corner unit. Row 2: Hourglass unit + flower center 4-1/2" square + Hourglass unit. Press seams in opposite directions.

6-Sew rows together and press seams. Your block is complete and should measure 12-1/2" square.
