Fall Leaves October

Cutting

2 - 6 1/2 inch squares tan blender
2 - 6 1/2 inch squares brown blender
4 - Leaves cut from assorted fall colors using template

- Applique the leaves onto the 6 1/2 inch squares using our favorite applique method. Be sure to center the leaves so as to align them easier when re sewing.

- Cut each block into halves diagonally along the center line.

- Join each half to another, mixing and matching, aligning edges to make 4 blocks.

- Sew 4 blocks together using the assembly diagram.
