

Clamshell Quilt Guild UFO Challenge – 2023-2024

We all know that we have too many UFOs, so back by popular request we will be doing the UFO Challenge Program again! This time around we'll approach it from a different direction. This Challenge focuses on planning and commitment. Instead of a random project each month, participants will plan and commit to a specific month to work on each of their chosen 8 Challenge projects. Reimagine new life for your collection of UFOs and make this challenge work for you. This could mean finishing the project according to the pattern; resizing the project into a smaller lap quilt, placemats, or pot holders; upcycling the fabric or pieces, cutting it up and redesigning the project; or deciding to re-purpose the parts, recycling the fabrics to your stash or the Free Table. The UFO project could be completed and given as a gift to family or friends, or donated to a charity. Your UFOs can be a work in progress, a kit that was purchased but never started, special fabric that was being saved for "something", or a pattern or special ruler purchased with good intentions. The sign-up starts in October with the first Challenge project due at the November meeting.

Each Guild member who wants to participate should fill out the Clamshell Quilt Guild UFO 2023-2024 Challenge form. The form is available during meetings or on the Guild website under "Activities". They can be turned into me during the meeting, as well as mailed or emailed. The UFO Challenge of the Month will be part of our Show and Tell at each meeting, or email/text me a photo. Those members who finish all 8 projects and turn in their Challenge form on or before the September 2024 meeting will be eligible for the grand prize drawings at the September 2024 Birthday Guild Meeting.

In the words of Pat Sloan: "It takes a long time to finish a quilt you're not working on."
