Color A: white background: (16) 3 ½" squares

Color B: medium green print: (4) 3 ½" x 6 ½" rectangles

Color C: dark green print: (4) 3 ½" x 6 ½" rectangles

- 1.) Cut out all the fabric squares and rectangles.
- 2.) Draw a diagonal line on the wrong side of each of the 16 white squares. This is a sewing line.
- 3.) Place a marked square on top of one end of a rectangle, right sides together and stitch on the line. Trim a ¼" seam, press seam open. Repeat on the opposite side of the rectangle using a second white square. Sew, trim and press open to make one flying geese unit. Repeat with the remaining rectangles and white squares to make 8 flying geese units.
- 4.) Sew one medium green and one dark green flying geese unit together with the medium green unit on the top, point facing up. Press the seam toward the top flying geese unit. Make 4 of these units.
- 5.) Arrange the four quadrants according to the diagram below. This will create a pinwheel with the dark green flying geese.
- 6.) Assemble row by row to finish the block. Press
