MAB #1

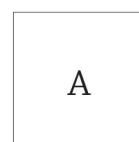

Block Size 12"

MAB #1

MAB #1

Cut size of pieces

5" X 5"

2 1/2" X 2 1/2"

2 1/2" X 4 1/2"

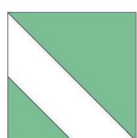

4 1/2" X 4 1/2"

MAB #1 Units

Flying Geese Unit

Shaded Half Square Triangle Unit
Make a Half Square Triangle Unit
then add piece B as a connecting
corner

FABRIC 1 - GREEN for A, B, D (QTY 2, 4, 1)

FABRIC 2 - WHITE for A, B (QTY 2, 16)

FABRIC 3 - PURPLE for C (QTY 8)

1. Using 5" squares of A (fabrics 1 & 2) make HST. Trim to 4 1/2". Draw a line on back of Green (B). Put in corner of white, sew ON line, trim excess. (You can cut "A" squares at 5 1/2". This gives you extra to allow for trim to 4 1/2" square. After trimming to 4 1/2", then add your 2 1/2" green square to the corner)
1. MAKE 4 UNITS
2. Make flying geese using C (fabric 3) and B (fabric 1). Again, draw a line on back of white squares, put in one corner, sew ON line, trim excess. Do the same for other side. Sew 2 flying geese together, one on top of the other. MAKE 4 UNITS.
3. Sew units together as shown
